Dianne Harman : Cedar Bay Cozy Mysteries #2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Cedar Bay Cozy Mysteries #2:

Books 4, 5, and 6 in the popular Cedar Bay Cozy Mystery Series finds Kelly once again solving mysteries with her dogs, her new husband, Sheriff Mike, and quirky characters along the way. Who murdered the popular owner of the town's upscale wine store? Who murdered the Portland chef on the eve of her television debut? And who murdered Mike's wealthy aunt? Plenty of fast-paced action, dogs, food, and mouth-watering recipes in this second set of the bestselling series by USA Today Bestselling Author and seven time Amazon All-Star!
